The Faith of Our Founding Fathers Part I Tonight at 6

Who were our Founders? In what was their identity found? On which set of principles did they stand? Examine clear evidences held within the nation's founding documents, pointing clearly to the Founding faith in God.

**Did you notice?**

God blessed us! The contractor had a load of paving materials on his truck ready to do another church parking lot he couldn't do. He started ours and gave us a discount. The total amount owed on the project is \$1,023. If you'd like to help out mark the envelope "Parking."

July 14	Friday	50th Anniversary for the Pratts 6-8 p.m.

**The Freemans** sent an update from Argentina this morning! They were able to purchase a newer van and brought it home Friday. In August the family will begin to head this way to get Jordan settled into college in Dallas. Jordan will stop in Peru first to visit a nephew. He begins college in Dallas in August and they request prayer for his adjustment to life in the United States.
