Pastor Howard Braymer

Our focus on others

Cyclone Idai hit the Chimanimani District close to Pat Coleman, our missionary in Africa. It has caused flooding, mud slides and heavy rains are expected to continue for three days. More than 100 are dead, thousands affected. More than 30 homes have been washed away. A river has burst it's banks and is flooding. Please pray for this area as people collect tents, food and blankets while spreading the gospel.

*Have you trusted God for your
Faith Promise?*

- ⇒ The light fixtures need to be changed to LED lights throughout the church. Pray for wisdom and direction.

- ⇒ Pray for our church to reach families.

What happened at church this week? We had a heat/air man, a plumber and the gas company on site at the same time ... to have heat this morning. Thank you Lord for the heat! Pray for your church and pastor!
